This Land is Your Land

This land is your land, this land is my land
From California, to the New York island
From the redwood forest, to the Gulf Stream waters
This land was made for you and me

As I was walking
That ribbon of highway
I saw above me
That endless skyway
I saw below me
That golden valley
This land was made for you and me

This land is your land, this land is my land
From California, to the New York island
From the redwood forest, to the Gulf Stream waters
This land was made for you and me

When the sun came shining
And I was strolling
As the field was waving
And the dust clouds rolling
As the fog was lifting
A voice was chanting
This land was made for you and me

This land is your land, this land is my land
From California, to the New York island
From the redwood forest, to the Gulf Stream waters
This land was made for you and me
